DOCUMENTARY: THE SCOURGE OF UNJUST LAWS

REV CHRIS OYAKHILOME DSC DSC DD

I want to welcome you to today's program and it's a very special one. This is season 12 Phase 4 Day 1.

There's so much for us to do in these few days.

What you just saw is a reminder of Satan's attempt to frustrate the speed of the gospel of Jesus Christ.

When you hear about Hate speech, it's not about protecting anybody. It's just a subterfuge and all they try to do is deceive and leave the impression that they are protecting young minds. Remember what we said about misinformation especially when they had failed with the COVID debacle. They are the masters of deception.

We can do something about the situation.

We are not at their mercy. They are being motivated and insured by the devil whether or not they know it.

But we are not victims, we are victors. The church of Jesus Christ needs to be better understood as to what we really are.

There are many Christians who don't know what we are,

Many don't know who Jesus is.

I'm so glad that some things are happening.

The UN General Assembly started their preliminaries this month.

God has a way of structuring everything.

This is the month where we have our fasting and praying and Global Day of Fasting coming together, and we're beginning with the Your Loveworld Specials; just the right time to have us decree a thing and have it established unto us and to put the naught the foolishness that has been demonstrated by several.

I think this is the time where the worst Sec Gen. of the United Nations will be stepping down.

**Transcribed by Sis Chaigozie Efe-Ovririe** **Compiled by DanGreatness Edjeba**

I hope the next Sec Gen will not copy Acts of Gutterez. I don't know that there has ever been a UN sec Gen who couldn't negotiate peace between any two countries. Instead, he fueled so much antagonism because he was working for the globalists (The elitist Klpetocrats).

It's time for a change really.

This month is filled with opportunities for us to effect some very important things.

One of the scriptures that we brought to your mind in that documentary is

Isaiah 10:1 (NIV)

"Woe to those who make unjust laws... to those who issue oppressive decrees".

These are God's words.

"...and draft oppressive legislation" (CJB)

Even before the laws are passed, those who are responsible for drafting them are under the curse.

There are unjust laws and I am speaking to God's people; you have to know that we're not supposed to sit still and act like we are victims.

***Jesus gave us Victory: absolute victory.***

***And when we say "The nations are not for Sale", we mean it.***

We will show you another documentary tomorrow on a similar subject because of those Nations who are persecuting people for what they call Hate speech. It's all a deception.

Isaiah 10:1 CJB.

***When we pray in line with this, we are praying the will of God. We have to be concerned about what happens around the world. You may be at peace in your city, state and country but if you don't pay attention to the sufferings and hardships others are facing far away, it might come close to you soon.***

***We are not expected to shut our eyes and ears to the sufferings of others. God expects us to act.***

**Transcribed by Sis Chaigozie Efe-Ovririe  Compiled by DanGreatness Edjeba**

I want to read some scriptures to help us understand God's position with us and what we have to do with our faith.

Exodus 6:6

He is telling his people "I will bring you out from under the burden of the Egyptians". God doesn't like it when his people are oppressed by wicked men, it is always the reason for the enactment of unjust laws.

Isaiah 10:1-2

The purpose is to defraud. To take from others, steal form them. It's all about injustice and theft. That's why they are "Kleptokrats"

Exodus 6:7

God promised to deliver his children from their oppressors.

In Christ Jesus He has done it. That's what he said to us "you are a chosen generation..."

Look at the promise in verse 8. This promised land has a physical and spiritual dimension to it.

The physical land is for the physical seed of Abraham and the spiritual for the spiritual seed of Abraham.

***All the promises made to Abraham were actually made to Jesus: the Christ***

***In the mind of God, He's brought us into that Land; that place in Christ that's our heritage. We have to learn to use what belongs to us.***

Hebrew 11:1-3

The various eras were framed by the Rhema of God; The word of God as spoken by men.

It didn't matter what the circumstances were, they created their era though the word of God.

You that are in Australia or India or wherever you might be... you can create what should be from whatever it is right now.

we have the power, the authority

We can do it and we'd better do it.

*If we don't nothing about it, it's going to get worse.*

What are you going to do when Jesus comes?

We have to take our Nations from the devil.

In any Nation where there are unjust laws, don't keep quiet. You've got to act. it's destructive. It's always counter productive to the desires of man. It's always against personal liberty and freedom of speech.

Every law against freedom of speech is wrong.

What if the speech itself is wrong? There are already laws you can apply. It's words for words.

You can't just sit down and say whatever will be will be"

***The reason we are able to preach the gospel today is because of what others before us did. They fought the fight of faith and delivered to us the freedom to preach the gospel. We can't and must not lose it.***

Hebrews 11:30

**Transcribed by Sis Chaigozie Efe-Ovririe** **Compiled by DanGreatness Edjeba**

Whenever you read stories in the Old Testament, look into the New Testament for clarity.

Here it tells you the walls fell down by faith. It wasn't the loudness of their sound that brought the walls down.

Exodus 2:13-

v14 "And Moses feared....". what did Moses fear?

v15: What did Pharaoh hear?

Moses was a prince of Egypt but knew He was Hebrew. He killed the Egyptian who was mistreating the Israelites.

You'd think Moses was afraid that Pharaoh might kill him so he ran away....

Let's go to Hebrews 11: 27

Moses was not afraid of Pharaoh!

He wasn't trying to run away from Pharaoh. So why did He flee? what did he fear?

Why was it that when he knew was Hebrew He didn't leave immediately?

He thought He could use his position.

It was a reputational problem. He learned to stand his ground.

***Fear of what others think can be a problem.***

***Fear of losing your reputation can slow you down.***

What was known wasn't the death of the Egyptian that He killed: it was the fact that "now I know who you are and it's going to change everything.

Hebrews 11:25-26

He had to make a decision. He could have made a story or lie about it. But it was time to make a decision and say 'i would rather suffer with the people of God'

He forsook Egypt, not because of what Pharaoh might do to him; it was a strategic departure.

For example: When Jesus left the place where they were planning to capture Him and kill him: He escaped through their midst.

Was He afraid He would die? No, He had something to fulfill. It was a strategic maneuver.

This was why Moses relocated and went to the desert where God wanted him to be.

He only went there because that was where God wanted him to be.

How far could you run from Pharaoh? He could catch you anywhere but because Moses was in God's appointed place He was protected by God's Word. He was not hiding in Midian; he was hiding in God's word. Hallelujah.

Hebrews 11:32-33

Through Faith they subdued kingdoms.

***In 2020 to 2021 we subdued the Nations, the globalists and all the set up. We frustrated the tokens of the proponents of vaccines and covid and all its regulations and took back our schools, cities, churches etc.***

You can read the story of Gideon, Barak, Samson, Jephtah etc.

We haven't changed.

You in Australia and India and the UK; don't take it lightly. Take action for the sake of the gospel of Jesus Christ.

We have to get Starmer out of that UK.

There is a new guy there and we are watching...

Canada is also not doing very well under Mark Carney. It's not limited to him. It's the whole liberal, Woke, leftists who are running Canada.

**My brothers and Sisters in Christ, in Christianity we must learn to pray Fervently and Fervidly.**

**You can't change things merely by talking about them or wishing they would change or by being nice. Satan has no respect for your niceness. You have to be tough inside you.**

2 Corinthians 10:3

The wall of Jericho were their strongholds. By faith those walls fell down.

v5: Casting down imaginations (calculations, arguments, presentations of legislature, lobbyists, so called experts)

For example, you are supposed to be able to say whatever you want to say right or wrong.

In the Bible many even addressed God freely, some fearlessly.

***it's not a law against hate speech but a law against speeches they hate. That's the real problem.***

These ones we read about subdued kingdoms and you have to make up your mind that this is what is going to happen.

You cannot allow the frustration of evangelism in your city or in your country.

Don't let it happen.

"Evangelism is our supreme task"... Arch Bishop Benson Idahosa.

It matters when you recognize that the evangelization of the world is non-negotiable. It's an instruction from God. We have to win souls. All our thinking and planning is on that direction; about changing the world for Jesus Christ.

**Transcribed by Sis Chaigozie Efe-Ovririe  Compiled by DanGreatness Edjeba**

The weapons of our warfare are not of human understanding but mighty through God to the pulling down of strongholds such as Unjust laws. It doesn't matter who or what is placed there as a stronghold, our weapons are not carnal but Mighty!

When we pray in the name of Jesus Christ, things happen.

**I will talk to you about the kind of praying that effects changes in things like this. Otherwise, you may be praying for a thousand years and see little change. But if you want earthquake change, then be ready to listen to what i have to tell you tomorrow. You have to be ready to do what He told us to do.**

1 Timothy 6:12

Does this sound to you as being nice? Fight the good fight of faith. Lay hold, SEIZE eternal life.

***If you want to have a great beautiful life, you must fight first; and the beautiful thing is t's a fight of faith. You don't have to have muscles for that.***

**Transcribed by Sis Chaigozie Efe-Ovririe** **Compiled by DanGreatness Edjeba**

There are more people who are building their physical body yet afraid to fight spiritually. The real life is spiritual.

If you don't take the spiritual one seriously, it doesn't matter what you have on the outside, it's useless.

Jesus said "a man's life consisteth not in the things that he possesses". Whether they are cars, things or muscles. That's not where your life is.

(Luke 12:15)

***Let his word guide your spirit and thinking, form your mentality, opinions and life decisions on the basis of His word and you'll always be happy.***

***If you want to have a happy life that's the only way,***

***everything else has frustration with it.***

It was Eve that was deceived. Adam was not deceived. Eve took the fruit and she lost everything. Adam joined in the rebellion.

He should have refused but he was trying to please her....and He blamed God for it.

**Transcribed by Sis Chaigozie Efe-Ovririe** **Compiled by DanGreatness Edjeba**

The weapons of our warfare are not carnal but Mighty through God...not through the flesh.

It's a month of growth and we will grow in everything in Christ Jesus and nothing will stop us.

# DAY 2, SEPTEMBER 10TH 2026

Opening Prayer by Esteemed Pastor Kay Adesina

REV CHRIS OYAKHILOME DSC DSC DD

Welcome to today's program. It's a very special and beautiful one because of the things the Holy Spirit has for us today.

I want to begin reading to you an interesting story in the Bible; a somewhat popular story...

Luke 19:1

Zaccheaus was the Chief among the publicans. Not an ordinary fellow. He was rich. He wasn't a tall guy. So with a lot of people around Jesus it was difficult for him to see Jesus. He had been hearing of Jesus but didn't know him. He wanted to see him.

Vs 5

What could it have been for this man who didn't mind with all of his reputation and wealth to climb a tree to see Jesus? He was so desperate to see Jesus and the Master took notice of that.

He wouldn't have dreamed of having Jesus in his house. But the master likes to surprise you.

Vs7-10:

He is already giving half of his goods to the poor and he was still rich. Givers never lose. Look at the mind that He had.

With everything he said to Jesus, he didn't have salvation.

Salvation came to his house when Jesus came in.

You can't buy Salvation with money.

Sometimes we have a friend or relative who is very nice or good. He gives to the society. He helps build their bus stops. He builds town centers, builds churches, mosques. He is nice to everybody.

Still, the indication in God's word is that it still won't give him salvation... A man's goodness won't do it.

Remember Cornelius in Acts. An angel visited him and told him that God had heard his prayers and even his alms were seen in Heaven.

Even with the angel visitor, God said he needed Simon Peter to come share with him words to lead him into Salvation.

***How important the Gospel is!!!! You can't buy your way into salvation.***

Vs11-

Jesus is in the home of Zaccheaus.. and started telling a story

Vs13: "Occupy" till I come means "to do business or trade" till I come

Vs16: God is not against profit. This man's one pound gained ten pounds. If 1 pound gained 1 pounds, that was 100% ... 10 pounds was a lot of profit. God didn't say he was greedy; he called him Faithful.

He was rewarded with authority over 10 cities.

When he was trading with that one pound and gained 10 pounds he didn't imagine he would get authority over Cities!

Vs18-19: 5 pounds was also big profit. 500% profit.

Vs20-23. (Any bank that is not giving interest is a bad bank. God expects interest).

Keeping the 1 pound in a bank was the least the wicked servant could have done. But He didn't do that.

Vs 25-28

*Occupy till I come: I want you to do business and make profit till I come*

*Who are you doing it for? The master who went to get a kingdom.*

Do you know that one day Jesus will come back to this world?

Do you realize that Jesus will reign in this world and we will reign with him for 1000 years.

Are you looking forward to that?

He told us exactly what to do. Occupy!

Be busy! Busy making profit till I come.

If He gave you 1 soul, 1 friend... win 10.

*Do more! Win more.*

*Maximize everything that He's given you because He is coming and He's going to be looking for those that demonstrated leadership.*

*If you did not demonstrate leadership in this dispensation, you won't be a leader in the next dispensation.*

**Transcribed by Sis Chaigozie Efe-Ovririe** **Compiled by DanGreatness Edjeba**

Remember it was a hostile environment. The people didn't like their boss. The people didn't want the master to reign over them. Yet in that hostile environment he expected the servants to trade. They did it anyway. In the midst of a hostile people, they stood for him and made profit where it was difficult to identify with him.

That's why he gave them cities.

***You must stand for Jesus Christ, one day you'll be glad you did; but if you don't win those cities now, you are not going to win then them and you won't be appointed them then. You have to demonstrate leadership qualities.***

***Leadership in the house of God isn't something that just drops on your shoulders, there are things you'll face.***

***You must learn to deal with opposition, trouble, trials and difficulties.***

***One of the things you learn is that you're a soldier and no soldier fights for himself. As long as you're fighting for yourself, you're not a soldier. Every soldier fights for his country.***

**Transcribed by Sis Chaigozie Efe-Ovririe** **Compiled by DanGreatness Edjeba**

***If you are fighting for your joy peace and happiness you are not a soldier; you're into civilian affairs.***

When you come to Christ, you become a soldier.

I told you yesterday there's been a lot of challenges in many nations and especially in recent times where there is a war against free speech.

Free speech is not Free if it is censored by the various pretentious laws in several countries.

(DOCUMENTARY: HATE SPEECH DECEPTION)

Why should you have a problem because you don't believe in climate change? If you don't believe in the law of gravity why should that be a problem?

It's a reminder of what happened during the COVID fiasco when they thought they were gods over other people and ruled with an iron fist.

**Transcribed by Sis Chaigozie Efe-Ovririe** **Compiled by DanGreatness Edjeba**

They were worse than military dictators in most countries because Klaus Schwab had deceived them that the end of the world had come for them and they were taking over; but they were wrong.

It came to pass in those days in shushan that the King was persuaded by a highly placed official who was his friend to issue an edict.

Esther 3:13-(NLT)

There was a good enough incentive for the people to kill the Jews. This was a royal edict.

If you were a Jew at that time, what would you have thought? what would you have done? This was a law... that on a certain day they should all be killed because someone lied against them to the King.

At that Period, a Jewess Esther, was queen; wife to the very king that had issued that Edict. She had no idea what was going on until her uncle sent a message to her.

He was so pained by what was happening that he tore his clothes, put ashes on his head and wouldn't eat.

People recognized him and sent a message to Esther that her uncle was looking like a mad man.

Esther sent clothes and food to him but he rejected them because of what was going on and he sent her a message to let her know.

She then asked what she could do about it since she wasn't scheduled to see the King.

**Her uncle said "if you're quiet at this time, God will bring help to the Jews from someplace else. but don't think you will escape just because you are in the Palace".**

Esther 4:16-17

This was her response to her uncle. She resolved to see the King even if it meant perishing. They fasted and prayed for 3 days: night and day.

When you face a situation that you call serious... if you lose your right to free speech in your country, that will come with severe consequences.

It's not a law against hate speech, it’s actually a law against speech they hate.

Understand the use of language.

Understand their intentions.

We are not ignorant of Satan's devices.

The Bible tells us that God has given us wisdom.

When they said there would be a lockdown for 2 weeks they were lying. It was not a lockdown but a lock up.

In their minds they were putting you in prison. That's what they meant when they said "there will be no freedom". How insultive they were. They were happy to have put the whole world in prison, except us; because we knew the truth.

I warned you about the vaccines. I told you they had nothing to do with health.

They don't cure, they don’t prevent you from infecting someone else.

**Transcribed by Sis Chaigozie Efe-Ovririe** **Compiled by DanGreatness Edjeba**

So how is it a vaccine?

They themselves got infected after using the vaccine then they came back to tell you that it doesn't cure or stop the spread. Then why are you taking it?

The same people parading and saying "my body, my choice"

They are trying to say they decide what they do to their bodies.

Why did they support and sponsor vaccine mandates?

What happened to my body my choice?

They are insincere and sponsored by the mordaciously mendacious media.

The Jews in Shushan required a desperate move; something had to be done.

Isaiah 38:1- NLT

Vs 2: After Hezekiah heard that death sentence, he turned his face to the wall and prayed. He turned away from man and other circumstances and said "I've got to pray".

Vs 3- He wept bitterly; he took the word of God seriously. All distractions had to go, no TV.

You're fasting and watching movies and wordly news.

What kind of a fast is that? You take it as a day to talk to all your friends. What kind of a fast is that? It means the matter for which you are fasting isn't serious.

But when it comes to this, where in your city or county there are unjust laws, it's time to turn to the wall and pray.

Vs 5: God cared about the tears.

For taking the right action, he gets 15 years on the throne. That's amazing!

Vs 9-20 (KJV)- These were the words he spoke to God when he prayed and cried.

He also begins to praise God in this situation.

This was what God saw that made God change the decision.

But first Hezekiah was deeply moved. His words were very touching.

***When you think you have tried everything, try Tears.***

Hebrews 5:7 NLT, NIV

Jesus offered prayers and pleadings with a loud cry and tears. He had Reverent Submission to God.

There is a prayer you pray that your whole soul becomes a part of. It comes from deep within you; It's like you're pouring out your soul.

Romans 8:26-28

At this point you don't know what you're supposed to ask for but you know that the situation is critical and you need his intervention.

Sometimes, it's not about the Political party or the leader. It's about God's plan and purpose. The party is not a church.

Barack Obama said "I'm not Pastor of the United States. I am President of the United States". At least it gave them a rude awakening to know to pray the will of God. Nations as individuals don't always have the will of God happen in their lives but you can pray in such a way that you have the will of God happen.

When we pray in the Spirit, the Spirit bears us up, He helps us in our weakness.

You have these deep sighs without words: you are crying and you don't know why. It's the Holy Spirit that's praying through you.

When you pray like that you just know everything is going to be alright and the situation will change.

Until you pray like this, things may not change.

**Transcribed by Sis Chaigozie Efe-Ovririe** **Compiled by DanGreatness Edjeba**

Isaiah 43:25-26 (KJV NIV)

God's inviting you to argue with him like in a court.

James 5:16. NIV, AMPC

The prayer of a righteous man is powerful and effective.

Confess YOUR fault to one another is like saying ""I'm sorry I wronged you". It's not about discussing or accusing someone else.

It's not a weapon to deal with those that you accuse. He is dealing with sincerity here.

16b: The earnest (heartfelt, continued) prayer.

You are pressing in, you don't just say a few words and run away.

This prayer makes tremendous power available, dynamic in it's working.

You are about to cause an explosion in that city or country if you pray like this.

Give it attention. Pray from your spirit.

**Transcribed by Sis Chaigozie Efe-Ovririe  Compiled by DanGreatness Edjeba**

Mark 9:

Jesus cast a devil out and the disciples asked why they couldn't cast it out. He said "because of your unbelief. But this kind does not go out but by prayer and fasting". Jesus encouraged fasting.

The apostles fasted after Jesus ascended.

Fasting is important if you're going to cast out those demons that have fried to destroy a Nation.

If you are in Canada you have to plan a period of Fasting and praying because you must make a change in the spiritual atmosphere there.

The Lord has a lot of people in Canada. There is a great harvest there but Satan is trying to stop that harvest with the distracting and disturbing bills and legislation...that devil must be cast out.

Don't allow it.

There are still wicked minds in government who used the covid fiasco as an opportunity to manifest the evil in their hearts.

They haven't left but by prayer we will expel them from their places of authority.

**Transcribed by Sis Chaigozie Efe-Ovririe Compiled by DanGreatness Edjeba**

The witchcraft spirit trying to dominate that land must be paralyzed.

From 25th to 27th we are fasting.

The Jews had a beautiful end in Shushan. Read the story.

We are also going to be fasting.

We are going to set our attention on all the Nations of the world; that's what God wants us to do.

No Nation is for sale, those practicing Philanthrocapitalism will not have their way.

The earth is the Lord's and we are managing his estate. We are seeing things that men don't see.

The Lord is with us mighty and strong.

This world belongs to him.

# DAY 3, SEPTEMBER 11TH 2026

Opening Prayer by Esteemed Pastor Deola Philips

DOCUMENTARY: GRADUALISM (Permeation to Infiltration)

REV CHRIS OYAKHILOME DSC DSC DD

Welcome to today's program and It's a very blessed time.

In the past 2 days we looked at some very important things; How we can be effective in changing our world.

We have to always recognize our responsibilities as God's children; that is very important.

Yesterday I was telling you about prayer and how that we must be involved. We must take responsibility especially through intercessory prayer. We read yesterday where God said "Plead your case".

He invited us to present our arguments and show why you want it the way you're asking.

Isaiah 41: 21 (NIV)

You can present your case: why your city should be the way you want it. Don't think you don't have to do something about it or maybe somebody else will do something.

Queen Esther was in the Palace and could live the rest of her life in Luxury but Mordecai said to her "don't think you will escape more than the Jews. If you don't do. something about the situation of the Jews, deliverance and help will come from some other place..."

***As a child of God, you must recognize you have responsibilities.***

**Transcribed by Sis Chaigozie Efe-Ovririe** **Compiled by DanGreatness Edjeba**

***At the very least, start by praying fervidly, fervently and sincerely for others, for the Nations, the city and Nation where you live.***

One of the things you have to understand about the matter of responsibility:

To establish the Kingdom of Heaven in the earth.

Matthew used that expression particularly.

The Kingdom of Heaven and the Kingdom of God are one and the same but with one difference.

The Kingdom of Heaven is that part of the kingdom of God established on the earth.

A scripture to understand how that works and why you are a part of it:

Job 38:33 (NIV)

With the questions God posed to Job some things become clear to you; those are the same things He told Jesus to do.

Do you know the laws and ordinances of the heavens?

Can you establish God's dominion/ The kingdom of God in the earth?

Mishtah: Jurisdiction

Can you set up God's Jurisdiction/rule/authority/Kingdom/ Dominion in the Earth?

Job couldn't have done it. He was questioning him because he had been speaking without knowledge.

Our Job is to establish the laws of the Heavens on the earth.

Psalm 2:6-8 CJB, NIV

The decree has been given; our responsibility is to proclaim and declare the decree.

Psalm 110:2

Where is the rod of authority coming from? From Zion, where the King is.

When Jesus sent us out as sheep in the midst of wolves, He wasn't sending us out to be pleading and begging or asking that they spare us.

The video we just saw of the Fabian Society shows their logo of a wolf in sheep's clothing.

Satan likes to copy what God is doing. We are the real one: who are Lions coming in the form of sheep. We are born after the Lion of the tribe of Judah.

We know when we are sheep.

We know when we are Lions.

Just like Jesus: He was the Lamb on the throne slain for the world. He also knew when to be the Lion of the tribe of Judah.

We are no different.

We were sent as sheep but if they open their teeth they will realize we are Lions. and no wolf can stand before a Lion.

**Transcribed by Sis Chaigozie Efe-Ovririe** **Compiled by DanGreatness Edjeba**

The Fabian Society is already understanding spiritually that the Shout of a King is among us.

This is where God's people have to be very wise.

I've had discussions and arguments with several Christians who said they were socialists: but they don't know what it is save for what they were taught in Class.

***A true Christian cannot be a Socialist.***

I know the misleading definitions they gave you on Socialism to make it look nice.

Some people come out and say they are Marxists.

Firstly, the word Socialism is connected to the simple word "social" which is not originally English.

So, your confusion started from there.

in Latin, it simply means "living together or living with others".

So, they are supposed to be together.

But go to the Bible, the first system of Government that God was angry with was Socialism

Genesis 11:1-8

Vs 4: The whole world was out there. God had said to go and possess the land. God was the first sponsor of private property: He has more than enough. but they wanted to build a city and remain there together.

When you fly over this earth and fly around, you will be surprised, there shouldn't be war; here is more than enough land.

Why are we fighting for a little enclave?

They were building a tower. A tower design gets smaller and smaller from the base to the top. They would have needed a king who would be at the very top.

Vs 5-8

The Lord scattered them abroad. He was against their socialism. God knew the implications of socialism.

Socialism is of the devil; they just polish it.

They say "we are all going to be sharing".

But what they don't tell you who decides what is to be shared. That's the creation of the state.

Remember when the Children of Israel consulted the Expert (Samuel) and asked to be given a king.

They were consulting him as an expert not as a prophet.

Socialism and democracy are not the same.

In real socialism, there is no democracy

The experts decide the leader.

Socialism always moves to creating technocracy.

They wanted the establishment of a state where the executive could be seen; the executive of the state was the King.

God helped Samuel pick Saul but before then He asked Samuel to warn them about Socialism.

**Transcribed by Sis Chaigozie Efe-Ovririe** **Compiled by DanGreatness Edjeba**

1 Samuel 8:11-

Vs 13: The government would even be responsible for food production. No more private food. The fields and vineyards. Those working in Government would enjoy the benefits of their loot.

The Labor Party are the major proponents of Socialism.

Vs 15: Taxation. Tithes go to the government.

Vs 16: Your staff, your cars.

(One of their plans is "No more private cars" for their 15 minute cities).

Vs 17: Eventually you become servants of the state through taxation. And the taxes will keep rising.

In some countries today, their combined taxes are more than 60%. When all your work turns out 40% for you, you are the slave of the state.

You would think it's a contribution but NO it's not.

Why is it so bad? Because it's of the devil.

**Transcribed by Sis Chaigozie Efe-Ovririe  Compiled by DanGreatness Edjeba**

A few months ago, Trump said they made a lot of money in their economy so he gave the soldiers dividends of $1776.

That was fascinating.

Yesterday he said if they win in the midterm elections, all adult citizens will get $5000.

Is that Bribery? NO! It's supposed to be so

The first people to attack such a thing would be socialists and liberals.

A true Government is meant to prosper and give you dividends.

But Taxation is the state's modus operandi for subjugation.

That's why the taxes keep rising especially when you have socialists in office.

Socialists never have plans for production. They are always afraid because they never fulfill their promise.

They are taught to lie so they have to lie to convince you and get into office.

The way for them to ensure they remain in office is to raise your taxes, because the less money you have, the less you are able to fight back. It's their way of limiting your ability to personal freedom. They fear personal freedom.

Vs 18: God will not intervene

Vs 19:-20 After all these warnings the people refused to listen to Samuel.

The state's apparatus creates the establishment. Think about what they do.

Remember the story of Ahab and Naboth.?

Naboth had a nice vineyard close to Ahab's palace; Ahab coverted it.

It was a vineyard close to the statehouse.

He said "the state wants it. We will give you compensation so you can live somewhere else".

When Naboth refused, He informed Jezebel, the state's smartest adviser (Dr Fauci). They concocted an idea for expropriation.

She holds a meeting with government officials and frames him, he gets killed.

Then she informs Ahab that Naboth is dead.

It is painful when you understand how men have strayed so much from God.

Job 38:33 NIV

There are laws of the heavens and you have to learn about these laws.

Job couldn't set us God's dominion over the earth but we can.

He has shown us in the scriptures the laws of the heavens and instructed us to execute the will of God in the earth; to establish his jurisdiction and set up His kingdom on the earth and this we do by announcing the Gospel.

The decree is in the gospel and we declare it.

This is God's new law: the Law for free men.

God's perfect law for free men brings liberty.

Galatians 4:22-29

As it was then, so it is now. We are the children of promise and we are in the last days for the restoration of all things before the King comes back. There is a prophetic word for the church.

Isaac was left in the land Gerar because God told him to stay there.

After he settled in Gerar He prospered with a 100-fold return.

Genesis 26:13

The word came with the vision to keep growing.

The word was given.

God gave us a message that must be heard so there is nothing that can be done against it.

It's too big; it's the direction of the Holy Ghost.

We are taking the world for Jesus and his name is being magnified throughout the earth.

Genesis 26:14

The Philistines envied him

Vs 16-17: He became mightier than his host Nation.

That is the word that God has given us.

Vs 18-28

Vs 28

Abimelech came for a visit because he needed to make a pact with Isaac. They had become scared of him.

I've shared with you what to do.

Remember we are fasting and praying 25th to 27th specifically for the Nations of the world. It's a priority. He told us to do it.

1 Timothy 2:1-2

We can take God at his word over this.
